New Community Patrol Supervisor Meets With Neighborhood

After the "enjoyable" joint meeting on January 2 with other neighborhoods and a battalion of government and contractor officials concerning the Western Corridor construction, we return to the normalcy of our regular first Tuesday meeting schedule. Our next Hampton-Pinckney neighborhood meeting will take place Tuesday, February 6 at 7:00 PM at Central Baptist Church. Since the regular Hampton-Pinckney Gazette will arrive on a slightly later schedule than normal, this short announcement is an abbreviated attempt to solicit your attendance. Included on the agenda will be:

- ◆ Introduction of our new Community Patrol Officer from the Greenville Police Department, Corporal M.L. Gilliard;
- ◆ Update on Traffic Calming--Check out the painted patterns for speed humps and islands on Hampton Avenue and the traffic counting devices around the Hudson Avenue side of the Post Office. Can something actually be happening?
- ◆ Election of Officers and Solicitation of

Volunteers--The draft ended in 1973 so volunteers and willing are needed for 2001.

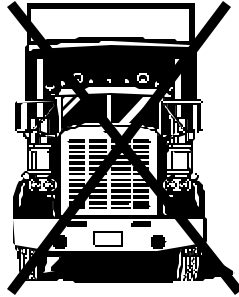

- ◆ Calendar Project
- ◆ City Government Solicitation for Grant Projects to be Funded by Accommodations Tax Revenue
- ◆ City Government Consideration of Adoption of Property Maintenance Code to Address Dilapidated and Substandard Structures
- ◆ New Business

Wreaths Come Down
